

RAFFLE

“Breath of Life” fine art print

This distinctive print draws inspiration from revolutionary new tissue mapping technology – a new process that allows medical experts and specialists to identify specific cells and offer personalised treatment for the first time. Featured in the recent cover story in *The Weekend Australian Magazine*, this mapping technique is life-changing for those who are undergoing treatment for complex diseases like cancer and cardiovascular disease.

Valued at over \$1,000 | Queensland Spatial Biology Centre & AI Framing Windsor

BrewDog Brewery Experience

Step behind the scenes at BrewDog’s state-of-the-art Brisbane brewery and learn what has gone into making BrewDog the most successful independent brewery in the world. After a look amongst the fermentation vessels and canning lines, you’ll experience an individually tailored guided beer tasting hosted by BrewDog Australia’s Certified Cicerone® beer experts – and they’ll even throw in one of their famous Brewers’ Boards so you’re not drinking on an empty stomach!

Valued at \$800 | Courtesy of BrewDog Australia
